

Specifications:

Contact rating: 3A, 125V AC
 Contact resistance: 50mOhm max.
 Insulation resistance: 100MOhm min. at 500V DC
 Dielectric strength: 1 000V AC for the duration of 1 minute
 Operating temperature: -40°C to +85°C
 Mechanical life: min. 1 000 000 cycles
 Operating force: 60gf
 Soldering conditions: 255°C, max. 5sec.

Tolerances:0.00 to 30.00: ±0.2mm		Date	Name
30.01 to 80.00: ±0.25mm		02/04	us
Operating temperature	09/10	dr	knitter-switch
General tolerances	12/09	dr	
Modifications	Date	Name
