

Specifications:

Contact rating: 100mA, 50V DC
 Contact resistance: 50mOhm max. at 200μV (1kHz, 5mA)
 Insulation resistance: 1000MOhm min. at 100V DC
 Dielectric strength: 500V DC min.
 Electrical endurance: 10 000 cycles
 Material: Terminal: nickel silver sheets, gold plated
 Contact: beryllium copper, gold plated
 Base / housing: polybutylene terephthalate, black
 Actuator: polyacetal
