P.C. MOUNTING

Specifications:

Contact rating: 0.4VA max.; 20V max. (AC or DC)
 Contact resistance: 20mOhm max. at 2-4V DC
 Insulation resistance: 1 000MOhm min.
 Dielectric strength: 1 000V RMS
 Operating temperature: -30°C to +85°C
 Mechanical life: 50 000 make-and-break cycles
 RoHS compliant
 Material:

Case / bushing: glass filled nylon 66, flame retardand, heat stabilized (UL94V-0)
 Plunger: thenoplastic polyester (UL94V-0)
 Switch support: brass or steel electrotin plated
 Contact: gold plated copper alloy
