

P.C. MOUNTING

Specifications:

Contact rating: 0.4VA max., 20V max. (AC or DC)
 Contact resistance: 20mOhm max. at 2-4V DC
 Insulation resistance: 1 000MOhm min.
 Dielectric strength: 1 000V RMS
 Operating temperature: -30°C to +85°C
 Mechanical life: 50 000 make-and-break cycles
 Switching function: on - mom
 Material: Case / bushing: glass filled nylon 6/6, flame retardant, heat stabilized (UL94V-0)
 Plunger: thermoplastic polyester (UL94V-0)
 Switch support: brass electrotin plated
 Contact: gold plated copper alloy
 IP rating: IP67

Tolerances: 0.00: ±0.25mm 0.0: ±0.40mm	Date	Name
	05/09	dr
Revised	05/09	dr
