

P.C. MOUNTING

Specifications:

- Contact rating: 3A, 120V AC or 28V DC; 1A, 250V AC
- Contact resistance: 20mOhm max. (2-4V DC)
- Insulation resistance: 1 000MOhm min.
- Dielectric strength: 1000V RMS
- Operating temperature: -30°C to +85°C
- Mechanical life: 50 000 make-and-break cycles
- Switching function: on - mom
- Materials: Case and bushing: glass filled nylon 66, flame retardand, heat stabilized (UL94V-0)
Plunger: thenoplastic polyester (UL94V-0)
Switch support: brass or steel electrotin plated
Contact: gold plated copper alloy
