

P.C. MOUNTING

**Specifications:**

**Contact rating:** 0,4 VA max.; 20V max. (AC or DC)  
**Contact resistance:** 20mOhm max. at 2-4V DC  
**Insulation resistance:** 1 000MOhm min.  
**Dielectric strength:** 1 000V RMS  
**Operating temperature:** -30°C to +85°C  
**Mechanical life:** 50 000 make-and-break cycles  
**Switching function:** on - none - on  
**Material:** Case and bushing: glass filled nylon 6/6, flameretardant, heat stabilized (UL94V-0)  
 Actuator: brass, chrome plated  
 Switch support: brass, tin plated  
 Terminals / contact: gold plated copper
